

LEWISTON THEN & NOW

Historian Suzanne Simon Dietz and photographer Amy Lynn Freiermuth combined their talents to create this nostalgic book by selecting images from Niagara County museums, libraries, newspaper archives, and private collections. It offers a special view of American life by placing historical images side by side with contemporary photographs.

If you grew up in Lewiston (or if you only wish you had), this book is a must have for your library. Hundreds of photos show where we came from and where we are now. Order yours today!
